Dear Valued Customers of the Heinemann Saw Company, member of the Lennartz Group

We are very pleased to announce that Daryl Clendenen has joined our executive team as General Manager, Ed Fetko is no longer with Heinemann. Daryl will be in charge of the Operational Management and Sales for HSC. We look forward to his leadership for the future of Heinemann Saw.

Daryl has an impressive and successful background in Operations, Application Engineering, product development, and Sales & Marketing. He has extensive experience in business development and Customer Relations. He has also effectively improved plant performance by reducing production gaps, and improved safety compliance.

He will utilize The Lennartz's commitment to grow the global strategy of the saw blade industry, and is excited to build strong business relationships with our customers.

Daryl will be reaching out to you personally to introduce himself. Feel free to call, or send an email.
